

## Sale: Party Gaming PLC

Contributed by Ben Dixon  
Saturday, 20 February 2010

Security sold from the Money? What Money? investment portfolio:

Company Name: Party Gaming PLC

Symbol: PRTY

First Held: 5th November 2009

Holding Sold: 100%

Date Sold: 19th February 2010

Purchase Price: 224.5 pence

Sale Price: 291.145 pence

Profit: 30%

### Party

Gaming performed in line with expectations, benefiting (probably) from the gradual realisation of the market that the sale by founder of a substantial share holding was not indicative of problems within the company. A sale was made at slightly below our original target price of 300p due to a decision made to re-organise our portfolio.
